DENTON COUNTY FRESH WATER SUPPLY DISTRICT NO. 1-D §

The Board of Directors of Denton County Fresh Water Supply District No. 1-D (hereinafter sometimes designated the "District" or "District 1-D"), met in regular session, open to the public, after due notice; whereupon, the roll was called of the members of the Board of Directors, to-wit:

William Lux	President
Ray Martin	Vice President
Dan Smith	Secretary
Chris Crawford	Asst. Secy./Treasurer
Kathrine Griffith	Assistant Secretary

All members were present.

WHEREUPON, among other business conducted by the Board, Director Lux introduced the Order set out below and moved for its adoption, which motion was seconded by Director Crawford, and after a full discussion and the question being put to the Board of Directors, said motion was carried by the following vote:

"Aye" 5 "No" 0

The Order thus adopted is as follows:

WHEREAS, pursuant to Section 49.212, Texas Water Code, as amended, the Board of Directors (the "Board") of the District is authorized to adopt and enforce all necessary rates, charges, fees, rentals, and deposits for providing any district facility or service; and

WHEREAS, pursuant to the Amended Joint Utility Contracts and the Amended Operating Agreements between the Districts (all as defined below) and District 1-A, and pursuant to this Order, District 1-A is authorized to collect the fees and charges described herein on behalf of the Districts, including District 1-D; and

IT IS, THEREFORE, ORDERED BY THE BOARD OF DIRECTORS OF DENTON COUNTY FRESH WATER SUPPLY DISTRICT NO. 1-D AS FOLLOWS:

I. General Policies

A. Definitions. For purposes of this Order, the following terms shall have the meanings indicated:

1. "Connection" shall mean and refer to each residential unit occupied by a separate family, including separate apartments located within a single building, and each business unit occupied by a separate business, including separate establishments within a single building.

2. "Commercial Service Provider" shall mean a commercial business with the purpose of collection and disposal of Commercial Waste from Commercial Units, including School Sites and Construction and Demolition Debris.

3. "District's Representative" shall mean and refer to any employee or agent of Denton County Fresh Water Supply District No. 1-A ("District 1-A") acting under authority of District 1-A.

4. "District" shall mean individually, and "Districts" shall mean collectively, Denton County Fresh Water Supply District No. 1-B, Denton County Fresh Water Supply District No. 1-C, Denton County Fresh Water Supply District No. 1-D, Denton County Fresh Water Supply District No. 1-E, Denton County Fresh Water Supply District No. 1-F, Denton County Fresh Water Supply District No. 1-G, and Denton County Fresh Water Supply District No. 1-H.

5. "Master District" shall mean Denton County Fresh Water Supply District No. 1-A, which acts as the managing District ("District 1-A" or "District's Representative").

6. "Rules" shall mean and refer to such Rules and Regulations as the Districts may adopt pursuant to Chapter 51 or Chapter 49, Texas Water Code, as amended.

7. "System" or "Systems" shall mean and refer to the water, wastewater, and drainage systems located within the boundaries of the Districts and subject to current Amended Joint Utility Contracts between District No. 1-A, the City of Lewisville, and each of the separate Districts - Denton County Fresh Water Supply District No. 1-B, Denton County Fresh Water Supply District No. 1-C, Denton County Fresh Water Supply District No. 1-D, Denton County Fresh Water Supply District No. 1-E, Denton County Fresh Water Supply District No. 1-F, Denton County Fresh Water Supply District No. 1-G, Denton County Fresh Water Supply District No. 1-H (the "Joint Utility Contracts").

8. "Building Permit" shall mean a permit for any facility or equipment being constructed or built within the Districts (i.e., single family dwellings or additions to single family dwellings, separate building, apartment complexes, non-single-family buildings, swimming pools, fences, or any other building, facility, or structure being constructed or installed within the Districts).

9. "Operating Agreement" means the agreements between each of the Districts and District 1-A regarding the supervision of the provision of potable, non-potable, and raw water by the City of Lewisville and the Upper Trinity Regional Water District.

- B. All Services Required. Except as otherwise expressly authorized in the Rules and Regulations, by the District's Representative, or by the Board, no service shall be provided by and through the Systems unless the applicant agrees to take both water and wastewater service, with the exception of builder accounts for houses under construction.
- C. All Services Charged. At no time, shall the District render water and/or sewer services without charge to any person, firm, corporation, organization, or entity.
- D. Other Utilities. Prior to installing underground cables in the area of water supply and sanitary sewer collection lines located within the Districts, representatives of utility companies shall meet with the Districts' Representative to file such companies' construction plans and schedules with the Districts' Representative to pay any fees, if applicable, and to review the engineering plans illustrating the location of the District's lines.
- E. Public Safety Services. The District or its Representative may bill the recipients of such services any and all pass-through costs and/or fees, as charged to the Districts, related to alarms, Police, Fire, and/or EMS costs and/or fees for Public Safety Services.
- F. All Charges. Any and all charges required per this Order shall be collected by District 1-A on behalf of District 1-D.

II. Connections to the District's Systems

- A. Applications for Connections.
1. Any party desiring to make a connection to the Systems shall first make an application to the Districts' Representative in the form approved by the District's Representative. The applicant shall, upon request, furnish the Districts' Representative with evidence that the party who will actually install the tap and connecting line has comprehensive general liability insurance in the minimum amounts of \$300,000.00 bodily injury and \$50,000.00 property damage, with an underground rider and a completed operations rider.
 2. The District's Representative shall review all applications for connection to the Systems. In the event that the Districts' Representative finds that the materials to be used and the procedures and methods to be followed in laying the line and making the connection are (i) equal to or better than the standards established by the International Plumbing Code as amended and supplemented by the City of Lewisville International Plumbing Ordinance for water service, any and all applicable water standard service details promulgated by the City of Lewisville International Plumbing Ordinance for water service, any and all applicable water standard service details promulgated by the City of Lewisville Water Utility and any and all applicable wastewater standard service details promulgated by the City of Lewisville Wastewater Utility, as amended from time to time, and (ii) in compliance with all terms and conditions of the Rules, then the Districts' Representative may approve the application and the proposed connection, subject to such terms or conditions as the Districts' Representative deems necessary or convenient to accomplish the purposes and objectives of the Rules.

B. Payment of Charges and Fees. Any party desiring to make a connection to the System shall pay any and all appropriate District facility charges and water and wastewater service fees to the Districts' Representative at the time the application for such connection for said property is made. Any party desiring that water or wastewater service be initiated for a new customer account, at an existing connection, shall pay any applicable connection fees and service deposits at the time the application for such service initiation is made. No connection shall be made until all such connection fees are paid.

C. District Facility Charges. Prior to any connection being made to the system, the following District Facility Charges will be imposed to all District customers, except for public school district customers or other governmental units, as determined by the District Representative. - a) Per mg/l of BOD \$ 0.003235
- b) Per mg/l of TSS \$ 0.002008

B. Tampering Fee. In the event the user, or customer, or their agent restores the water, sewer, garbage, and/or recycling service after service has been disconnected by the District's Representative, or if the user, customer, or their agent tampers with the water meter and/or service line appurtenances in any manner, a tampering fee shall be collected, in addition to the reconnect fee, provided by this article. The tampering fee shall be a minimum of \$250.00 and/or an amount equal to the applicable reconnect fee, in accordance with provisions of this article.

C. Meter Check Fee. Any resident or property owner that requests more than two (2) meter checks in any twelve (12) month period will be charged a fee of \$35.00 for each meter check occurrence.

D. Meter Bench Testing Fee. Bench testing of meters by a third-party contractor shall be at the actual contractor charges, plus any labor, equipment, and/or administrative charges incurred by the District's Representative for meter removal and replacement per man, per hour.

E. Fire Hydrant Meter Fee. Sale of District water on a temporary basis, from fire hydrants, shall be applied for through the Districts' Representative. At the time application is made, for a fire hydrant meter, a security deposit shall be charged and collected for each fire hydrant meter in accordance with provisions of Section VI. All fire hydrant meters shall be charged a base fee per month, or any part of a month, plus a volume charge in accordance with provisions of Section VII. Such security deposit shall be refunded to the applicant at the time the meter is returned, in good working order, less amounts due for any unpaid balance and/or damage to the meter. In the event of theft or loss of the meter the deposit will be retained by the Districts' Representative as payment for the meter. Applicant is solely responsible for all remaining unpaid fees.

F. Rate Adjustments.

1. For Leaks. Once time per twelve (12) consecutive month period, a residential water customer may be allowed a consumption rate adjustment to one utility billing cycle for a documented water leak. The customer shall notify the Districts' Representative of the leak, in writing, prior to the 25th of the month that the high consumption is being billed and must provide sufficient documentation (paid contractor invoice, copy of cancelled check, etc.) that the leak has been repaired to be eligible for any such bill adjustment. An eligible water leak is defined as a leak that causes an increase in consumption:

- a) thirty percent (30%) greater than the average consumption of the previous three months; and
- b) the same month of the previous year.

2. For Pool Fills. A water customer may be allowed once in a twelve (12) consecutive month period, a consumption rate adjustment to one utility billing cycle for a pool fill. To obtain this adjustment, the customer must call the Districts' Representative prior to the pool being filled, and again after the fill is complete, so the District can read the meter to obtain consumption used for the pool fill. The monthly bill for the customer will be calculated in two parts and billed in accordance with this rate order:

- a) Pool fill consumption; and
- b) Regular consumption.

VIII. Solid Waste and Recycling Collection Service and Fees

A. Effective October 1, of each fiscal year, pursuant to an Agreement between District 1-A and Community Waste Disposal ("CWD") solid waste collection, recycling collection, hauling, and disposal services shall be provided to the Districts through District 1-A. Fuel and/or Consumer Pricing Index ("CPI") adjustments may be made annually, as applicable, as stated in Section 5. Modification to Rates, as set forth in the Solid Waste Collection and Disposal and Recyclable Material Collection and Processing Agreement effective October 1, 2018. District 1-A is obligated to pay for such services and bill the District's residential customers at monthly rates as follows, plus applicable sales tax:

- 1. Twice per week collection \$ 18.45; and
- 2. Each extra cart collection \$ 6.00

B. Residential customers shall be required to pay the monthly service charges. In the event no waste container is present for the service address residents must purchase CWD's standard 95-gallon reusable containers from District 1-A for \$50.00 each. Once purchased, the container is the responsibility of the customer and if damaged, lost, or stolen will be the responsibility of the customer to replace with a similar container purchased from District 1-A for \$50.00 each. Residential customers will be provided with one initial recycling container. If the customer wishes to replace the original recycling container due to loss, damage, or theft or if they desire to have an additional recycling container, one may be purchased from District 1-A for \$50.00 each.

C. District 1-A has an open market for commercial customers to use any commercial service provider, which shall register with the Districts' Representative annually. It being understood that such commercial accounts will be billed, including a ten percent (10%) Franchise Fee (the "Commercial Franchise Fee") directly by the individual provider to the commercial customer and paid directly to the individual provider by the commercial customer.

D. Commercial Service Providers shall remit the Commercial Franchise Fee monthly, to District 1-A, as well as a complete list of commercial customers served within the Districts including, but not limited to, the customer name, service address, container size, number of collections billed, and all amounts collected.

E. Commercial service provider shall deliver solid waste collected to a disposal site operated in compliance with rules stipulated by the Texas Commission on Environmental Quality and/or the U.S. Environmental Protection Agency. Commercial service provider shall identify such disposal sites to be utilized, including whether leased or owned by provider.

F. Commercial collection of solid waste and/or recyclable material from commercial units shall begin no earlier than 7:00 a.m. and shall not extend beyond 7:00 p.m. Commercial collections may be conducted on Saturday and Sunday; provided, however, no Sunday collection shall commence before 9:00 a.m.

IX. Delinquent Accounts

A. Billing. District 1-A shall bill each residential customer monthly for all services rendered in the preceding month. All bills shall be due when sent and shall become delinquent if not paid by the date specified in the bill.

B. Late Charge. A late charge of ten (10%) percent of the total bill amount shall be added the day after the billing due date. If an account is not paid by the due date, or is paid with a check which is dishonored, water service shall be terminated in accordance with this paragraph. Prior to termination, the customer shall be notified by regular mail. The notice shall state the amount due and the date upon which water service shall be terminated, which date shall be not less than ten (10) days from the date such notice is sent. Such notice shall also state the time and place at which the account may be paid and that any errors in the bill may be corrected by contacting the Districts' Representative, whose telephone number shall also be given in such notice. Provided, however, that in the event the customer contacts the Districts' Representative within such ten (10) day period, the Districts' Representative may, at his/her discretion, allow the customer to make arrangements to pay the delinquent amount in installments. If customer does not contact the Districts' Representative or pay the amount due by the termination date on the termination notice, the service shall be terminated without further notice to the customer.

C. Suit for Collection. The District reserves the right to institute suit for the collection of any amounts due and unpaid, together with interest thereon, at the maximum legal rate and including reasonable attorneys' fees.

D. Dishonored Checks. The District further reserves the right to charge a customer paying a bill with a check which is dishonored, an amount established from time to time by the Districts' Representative, which amount shall be based on the prevailing or usual charges made for dishonored checks and drafts by other vendors in the same general area as the District.

X. Violations.

A. Failure to adhere to the rules set forth in the Amended Order Adopting Rules and Regulations will occasion a fine of Two Hundred Fifty Dollars (\$250.00) for the first violation and Five Hundred Dollars (\$500.00) for the second and all subsequent violations, per day, to be paid by the builder, developer, corporation, or other entity or individual who violates the Amended Order Adopting Rules & Regulations to be paid to the District in care of its representative, with the exception of traffic violations, which will have fines consistent with City of Lewisville criteria and will be enforced pursuant to the Law Enforcement Services Agreement between the City and the District's Representative. In addition to the fines set forth herein, violation under other Sections herein will carry with it the cost of replacement of the public property or the cost associated with trash removal plus an administrative fee of twenty-five percent (25%) of such costs. In addition, the Board may seek further remedies available under Government Code, Section 27.031, as amended.

XI. Regulatory Assessment

A. Pursuant to Senate Bill No. 2, passed by the 72nd Texas Legislature, 2nd Special Session, a regulatory assessment charge of one-half of one percent of retail water and sewer charges will be added to the customer's monthly billing commencing with all billings rendered by the District on and after September 1, 1991. The assessments will be remitted by the District to the Texas Commission on Environmental Quality ("TCEQ") and are to be used by the TCEQ in performing its regulatory duties and in providing technical assistance and training to utilities.

XII. Effective Date

A. This Order shall be in force and effect from November 19, 2019 until amended by the Board of Directors.

XIII. Filing in Principal Office

A. The Secretary of the Board is hereby directed to file a copy of this Order in the principal office of the District.
